

THE ORGANIZER TO PERFORMERS

- Provides the basic technical and production facilities.
- Determines the most appropriate performing area, while respecting technical and spatial requirements of the ensemble.
- Ensure the presence in the festival catalog, on the website of the Open Air Program and other mass media based on the performance information and annotations.
- Ensure the permit for parking during the necessary time needed for loading and unloading the decoration.
- Sign Agreement on Artistic Performance or Performing Work of Art, including the above mentioned conditions.
- Ensures free „Last Minute Tickets" for performances in the programm of the Theatre european regions.

PERFORMERS

- Performs at its own expense and at its own risk.
- Agrees to sign a performance which premiere was before the closing date for applications for the festival.
- Ensures all the technical and organizational needs related to the performance, including the copyright (the organizer of OAP does not!).
- Enclose the technical rider to the form, which becomes a part of the Agreement.
- The ensemble can itself promote its performances, such as distributing or exhibiting posters, flyers etc., but is responsible for ensuring that the advertising labels will be afixed only by tying and will be removed after the show.
- Can send the posters for an early promotion to the organizer.

ACCOMMODATION

We are providing an accommodation (hotel - bedding, bathroom in the room) for the artists on the day when they perform in wider city center. An accommodation contribution (paid by artist) is 150 CZK per person. Please cancel your accommodation at least 48 hours before your arrival. Otherwise we will require entire the reimbursement – 570 CZK per person/per night. In case you are interested in accommodation in the gym, please contact us on info@openairprogram.cz.

TECHNICAL DETAILS
